ANNOUNCEMENTS:

Good Luck Chuck!! - Chuck Walker has left his position as computer consultant to accept a position at Yellowstone Park. Please contact Fred McBroom for any computer services or consultations. You may leave messages with Curriculum Secretary Bobbie Sewell at extension #156 or at Fred's office, extension # 178. Judy Cass, Curriculum Department Supervising Teacher

Free Entertainment! - Ball State University ASL II Students will perform a variety show for the High School Department on Monday, April 27th at 2:05 pm in the Main Auditorium in the Alumni Building. Everyone is welcome to watch and have fun! Laurene Gallimore, Elementary Department Supervising Teacher

Earning for Learning - The last day for this year's Kroger "Earning for Learning" program is June 30th. If we have not reached the goal of \$195,000 at that time all is not lost. Kroger has announced that they will award the school \$5 for each \$1,000 in register receipts saved! Let's keep those receipts coming in! Liz Foster, Elementary Department

It's Official! - Kathleen Robertson is now officially the AEP Supervising Teacher! She has been acting in that capacity all year long, putting in long hours to get AEP going. Thanks and congratulations, Kathleen! Rachel Stone, Principal

Summer Camp Director Named Glenda Zmjewski, Elementary teacher, has been selected to coordinate the Elementary Summer Camp this coming summer. The camp is scheduled to run 3 weeks starting Sunday, July 5, and ending Friday, July 24th. An announcement will be made soon regarding summer work for staff who are interested. Congratulations, Glenda! Rachel Stone, Principal

Middle School Update - Since implementing a more strict Discipline Program in Middle School second semester, we have seen some positive results that I wanted to share with you parents. Although more students are receiving D.H. slips (only two students had no Detention Hall third quarter), 16 students earned B.U.G. buttons for pulling up their grades without letting any of their other grades drop. This is a strong indication that the students are accepting more responsibility for their preparedness for class. Congratulations to Heather Cronin, Jarvis Gunn, Julie Reis, Trisha Boyd, Tammy Bohall, Misty Burkhart, Marva Sellers, Crystal Templeton, Andy Pike, Kristin Stevens, Tynkia Kendrik, George Smith, Amanda Stidham, Kyle McConnell, Corey Stapp and Monty Hillyer. Special congratulations are also offered to Marva Sellers and Roger Hutchinson for no Detention Halls third Quarter!! Mary Glenn Cullison, Middle School Supervising Teacher

Middle School Students Attend Workshop - The following Middle School students attended an all day Student Council Workshop in Elwood, Indiana, on Saturday, April 11th: Micki Lewis, Mindy Schmidt, Nick Wehring, Kamaria Kirkland, Amanda Stidham, and Josh Powers. It was a great experience for all. Mary Glenn Cullison & Carol Keller, Middle School

Mathematics at ISD - ISD will adopt new mathematics textbooks for the '92 - '93 school year. Texts selected are: Harcourt Brace Jovanovich, *Mathematics Plus* (grades 1 - 6); Addison-Wesley, *Mathematics* (grades 7 - 8). Parents and staff members are encouraged to examine the samples on display in Judy Cass's office (building #6, room #133) until May 15th. For questions or comments, contact a member of the Mathematics Curriculum Committee (Betsy Bandy, David Geeslin, Chris Walters, George Houk, Jerry Thixton, Eric Mansfield, Yvonne Johnson). Yvonne Johnson, Mathematics Resource Specialist

"I Love You" Stamp Design Competition - The National Association of the Deaf has announced a competition for an "I Love You" Postage Stamp. Judging will take place during this summer's NAD Convention in Denver, Colorado. Three selected designs will be submitted to the United States Postal Service (USPS) for further consideration for a future stamp issuance. Each of the three selected designs will be awarded \$100 by the NAD. If the USPS selects one of the designs they may consider paying a fee to the designer according to USPS guidelines. The purpose of the competition is to show the USPS that a wealth of "I Love You" ideas can be transformed into a postage stamp design, especially suited to the ongoing series of "Love" stamps.

RULES FOR THE COMPETITION:

- The competition is open to everyone, Deaf and Hearing
- Three designs will be selected, each will be awarded \$100
- Each submission must be accompanied by a \$10 entry fee and must be received by June 15th, 1992 (further information will be provided with the entry blanks)
- Consideration will be given to designs that convey to the general public, in a clear and distinct manner, that the "I Love You" hand sign is a bridge between Deaf and Hearing people; and on their ability to be reconfigured into the size of a postage stamp
- Judges will be announced at the competition. They will be composed of Deaf people with artistic expertise, the NAD "I Love You" Postage Stamp Committee, the NAD Executive Director, and the NAD President

For further information (including USPS design standards) and/or entry blanks (one for each design submission), send a legal sized self-addressed stamped envelope to:

Kenneth Rothschild, Chair
"I Love You" Postage Stamp Committee
6 Overlook Drive
Sloatsburg, New York 10974-2201

What a great opportunity for some of our artistic students! Mary Glenn Cullison, Middle School Supervising Teacher

Rummage Sale - Pat Cooper and Linda Jones' Living Skills classes will have a "rummage sale" April 15th, 16th, 17th, 20th, and 21st, in rooms 204 and 205, Building #6. Hours are 8:15 - 11:15 am and 12:30 - 2:45 pm. Come check us out! High School AEP

Middle School Needs Volunteers! - Middle School would like to sponsor a booth for "May Carnival Days", May 1st - 3rd. Because we are a small department, we need to recruit manpower! Are there any Middle School Parents willing to man a booth for a four hour shift? If so, please contact Mary Glenn Cullison, extension 116, as soon as possible. Thanks!

Help a Good Cause! - The Meridian Street Kiwanis Club has been our "Partner in Education" for the last five years. During that time they have given the school money and helped us with numerous projects. Now it is our turn to help them. They are collecting clothes for the needy. If you have clothes, purses, shoes, etc, that you would like to donate to the poor, please send

them to Kathleen Robertson. Our Special Needs classes will assist in separating all of the clothes. Let's clean out our closets for a good cause!

PTCO Day is coming again! - But, a few changes will be made this year. This year's event is called "*May Carnival Days*". PTCO has made an agreement with the Indiana State Fairgrounds to hold the annual PTCO gathering on the fairgrounds in the West Pavilion! Instead of one day the event will run for three days (May 1st, 2nd, and 3rd). A professional carnival company has agreed to bring all their wonderful rides and games, and we're inviting the whole city to come and join us! Of course we will still have our traditional booths and public interest groups as well. If you or someone you know are interested in booth space, contact Teresa Schmidt via the PTCO mailbox. Booths are \$35 for all three days. (For ISD campus, there is no charge for booths.)

Tab Soccer Season Beginning!! - Fee - \$17 per player. Families (2) children - \$15 each, (3) children - \$13 each. Peanut League (6, 7 years) Begins April 11th, ends May 23rd. Practices & games Saturdays 11 - 1 pm or 1 - 3 pm. Junior League (8, 9, 10 years) Begins April 11th, ends May 23rd. Practices and games Saturdays 9 - 11 am or 11 - 1 pm. Senior League (11 - 14 years) Begins April 6th, ends May 18th. Practices and games Mondays 6 - 8 pm. (Dorm students can register with parent's permission to go off campus!) For more information contact Gary McWhirter in the Principal's office (317) 924-8419.

Its not too late! Register Now! 11 - 14 year-olds play Monday nights. Parents must send a check to "Tab Recreation" for \$17 and written permission for off-campus transportation. This is a Great Program! Don't Miss Out!

Superintendent Selected!!! - Finally, after eight months of hard work, a recommendation has been made to the Department of Health Commissioner and the Governor regarding the selection of the Superintendent of ISD. We anticipate that the decision will be finalized around the first week of May. All the details such as accepting the job officially, salary, budget, and willingness to move must be arranged before the state can announce the name of the new Superintendent. The decision was extremely close. It was really a "photo finish"! Each member of the Core Committee supported the final recommendation 100%. We strongly believe that both candidates are highly qualified for the position, unfortunately, we could only pick one. The Core Committee *can* proudly share with you that ISD will have a DEAF Superintendent. In ISD's proud history, stretching back nearly 150 years, we can say to William Williard our Deaf founder, that "we are back again". He was also a "Principal" which is equivalent to "Superintendent" for two years before the State found that he was Deaf and demoted him. So, ISD is back on the road toward "greatness and leadership".

Elementary In-Service - On Thursday, April 23rd from 3:00 - 4:15, the Elementary Department will have an in-service on the Interpreting process. Diane Jones and Kathy Smith (Middle School) will share some information they received from Betty Colonomos's Live TeleClass on March 27th. We hope to repeat this in-service for other interested departments. .
Diane Jones, Interpreting Coordinator
